Welcome to Sightseeing Tours in Moscow!

Are you just planning your trip to Moscow or have you already arrived in the beautiful Russian capital and are wondering where to start exploring it?

A Hop-on, Hop-off Bus tour will be your best choice. Buy a 48 or 72-hour ticket and hop on and off our buses as many times as you want during those 2 or 3 days to take a closer look at the capital's old churches, museums or just to take a walk.

On board the bus, you will enjoy the beautiful sights out of the window, while learning about the history of Moscow either from headphones or a live guide. Our headphone guide is available in 10 different languages.

There are 3 bus routes that you can choose from: Red, Green and Orange. Two of them start in the centre of Moscow, and one of them starts at the Museum of Cosmonautics. Each route has about 15 stops near the most interesting places of Moscow that you might want to spend more time on.

Our Green Route includes a 1-hour cruise on board the river boat. From the Moskva River, you will see the Moscow Kremlin, Gorky Park, Christ the Saviour Cathedral and many other sights from a completely different perspective.

All our Routes run from 10:00 AM to 6:00 PM. Red Route buses run every 15 minutes; while Orange and Green Route buses run every 30 minutes. If you decide *not* to get off the bus and do a full circle, the Red Route tour will take 1 hour to complete; while Orange and Green Route tours will last 2 hours each.

If you decide to join us, don't forget to bring your passport or ID card with you. Pets and smoking are not allowed on the tour.
